Ideal for landscaping …

Our PD25 and PD35 Series Post Hole Diggers offer additional power for those tougher jobs. Ideal for working all day long on demanding commercial jobs, we have the horsepower to match up to the job and to your tractor. Both models use the same boom, yoke and augers. The difference is in the gearbox. Rated at 55 HP for the PD25 and 75 HP for the PD35, these units are perfect for the commercial landscaper to the professional fence builder.
